

## FRANK J. GARITO SCHOLARSHIP FOUNDATION GOLF TOURNAMENT

### PROUDLY HONORING

*David Bolger*

*Business Manager,*  
Environmental Contractors Association

In July 2023 David Bolger became the business manager of the 17,000 member Mason Tenders District Council of Greater New York and Long Island. The road he traveled to reach his current position within the Laborer's International Union of North America began nearly 40 years ago, when Dave joined Laborers Local 13 and began his career as a Laborer. Dave Bolger represents a new generation of labor leader, dedicated to organizing, social justice and improving the lives of the members of the union.

In 1998 during the period that the Mason Tenders District Council and its affiliated unions were reconfigured, Dave was appointed acting business manager of House Wreckers Local 95, steering the local through bankruptcy, until it was finally merged with the newly chartered Local 79. Recognized by the leadership for the role he played in successfully leading Local 95, Dave was hired as a field representative of the Mason Tenders District Council. For the next 25 years, Bolger became an in-house advocate for thousands of members. His efforts resulted in the Trust Funds collecting millions of dollars on behalf of thousands of members. Members came to Dave to help them receive the benefits they had earned. Dave's ability to communicate with the membership in both English and Spanish, served him well as he developed a relationship with the members based on mutual respect and trust.

In addition to leading the Mason Tenders District Council Bolger serves as a member of the Mason Tenders District Council Political Action Committee, as well as a trustee of the New York State Laborers' PAC, and the New York State Laborers' Health & Safety Fund, as well as the NYS Organizing Fund. He serves as a trustee of the Mason Tenders' District Council Trust Funds, the MTDC Scholarship Fund, the Mason Tenders' Training Fund and the Laborers' Eastern Region Organizing Fund, LEROF. Additionally, Dave is an executive board member of the Building & Construction Trades Council of Greater New York.

Frank J. Garito devoted his life to making this a better industry for all, and there is no greater way to honor his memory than by offering scholarships to the families of the employees of our contractor members.
